

## **TOMMY CROKER AND CHERHILL PARISH COUNCIL**

The Tommy Croker Memorial Playing Field (the “Charity”) is an independent charity set up to provide and maintain a playground area and equipment in the Village of Cherhill. The charity works in close collaboration with Cherhill Parish Council.

Now that the play area is well established the Charity and Parish Council wish to clarify their respective roles and responsibilities:

### **The Charity**

- To manage the day to day operation of the playing field;
- To raise money for the purchase and maintenance of new equipment;

### **The Parish council**

- To purchase new equipment either from its own resources, from grants and donations or from money donated by the Charity. Such equipment will be listed on the Parish Council’s asset register;
- To cover the cost of maintaining the equipment and playing field;
- To cover the cost of annual safety checks;
- To insure the play area.

To ensure good communication between the two parties at least one Parish Councillor will also be a trustee of the Charity.
